**Leadership: Mercy Hospital and Allina Health**

- Medical Director-Intensive Care Unit Jan 2016-Jan 2019-Combined duties of previous

medical director with Critical Care Section chair. Set mission of ICU. Led monthly critical care section meeting. Negotiated work hours and compensation package for hospital-employed intensivist group. Set quality improvement/performance improvement goals and led implementation. Served as liaison to multiple other hospital committees, including Quality Council, Department of Medicine, Trauma Service, among others. Participated in semi-annual ICU nurse education/skills. Presented at multiple CCRN certification review courses. Mercy Hospital has been recognized as a Top 100 Hospital by Healthgrades in 2019 and 2020 (based on care delivered 2015-2018), with Critical Care earning Top 100 honors in 2020 and 2018, for excellence in sepsis and acute respiratory failure outcomes.

- Code Blue/Resuscitation Committee- Chair; Allina System-Wide Resuscitation Committee- Jan 2012-Jan 2019- Implemented ACLS and assisted with provider education. Reviewed Code Blue events and presented many at monthly Critical Care M&M. Reviewed hospital data for AHA's Get With The Guidelines-Resuscitation. Mercy achieved Gold Plus Award for multiple years of excellence in process performance, as well as top 10<sup>th</sup> percentile in risk adjusted survival of Code Blue events.
- Mercy Hospital Sepsis Committee-Physician Lead; Allina System-Wide Sepsis Leadership Committee- Aug 2014-Jan 2019- Implemented 2015 CMS SEP-1 bundle, including protocol development, case review, compliance monitoring, and provider education and feedback. Improved overall compliance from 14% to >65% in two years.
- Mercy Hospital Organ Donation Committee-Physician Lead- Jan 2016-Feb 2019-Worked with Lifesource (regional organ procurement coordinator) to implement best practice, develop order sets, and give provider education. Mercy received Lifesource Award of Excellence in Donation for multiple years of success in organ procurement (2016-2018).
- Mercy Hospital Infection Control Committee- Member- 2015-2019- Monitored and reviewed hospital-wide infection control data. Offered recommendations and implemented infection control best practices in the Intensive Care Unit.
- Critical Care Section Chair- 2012-2015- Led Critical Care Section meetings, coordinated with Department of Medicine, Quality Council. Participated in system-wide Critical Care Council and Neurocritical Care Committee
- Pharmacy and Therapeutics Committee- Co-Chair 2012-2015, Allina System Formulary Committee- 2012-2015- With team, reviewed all drugs over three year cycle and offered recommendation to system-wide committee for inclusion/exclusion from system formulary. Guided pharmacy resident discussion and research, including site-specific medication use, safety, and effectiveness studies. Participated in Joint Commission review and implementation of recommendations.

#### **Leadership:Maple Grove Hospital**
